The enduring magic of *The Chronicles of Narnia*

When British author C.S. Lewis was just 16, he was struck by a peculiar image of a faun in a snowy forest carrying an umbrella and a sack of parcels. More than 30 years later, that image inspired an epic tale of an ordinary family transported to an extraordinary world filled with magic, mythical beasts and talking animals. Lewis named his story *The Chronicles of Narnia* – a series now considered a classic, with more than 120 million copies sold in 47 languages and adaptations spanning radio, television, film, theatre and video games.

We're delighted to mark the 75th anniversary of the release of Lewis's first Narnian novel, *The Lion, the Witch and the Wardrobe*, with a new set of eight stamps bringing to life the characters, creatures and realms that have enchanted audiences for generations.

A stunning Miniature Sheet features artwork from Pauline Baynes, the original illustrator of *The Chronicles of Narnia*, whose unique line art captured the magic and majesty of the Narnian world. You'll also discover limited edition keepsakes, including a silver-plated Medal Cover, and a beautifully illustrated Presentation Pack exploring the experiences, people and places that inspired C.S. Lewis.

So, step through the wardrobe for an epic adventure through a magical world that continues to delight children and adults alike.
