

## What's new? Issues, products and events

**New next-day definitives** Two new Machin definitive stamps are to be issued on October 26, for customers using the Royal Mail Special Delivery™ Next Day service in Post Offices. (This service guarantees delivery by 1pm the following day.)

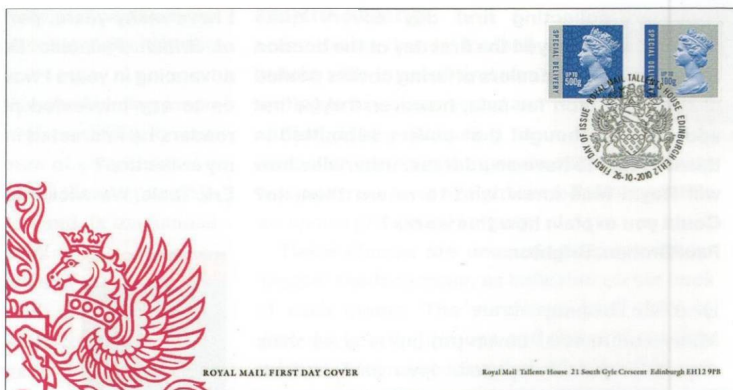

The new stamps will be available for items up to 100g, priced £5.05, and for items up to 500g, price £5.50 – the two most frequently used weight steps. A Presentation Pack (£11.05) and First Day Envelope (30p) are also available on the issue date, as illustrated below •

The Special Delivery™ issue features distinctive combinations of silver and blue and carries two phosphor bars

Both the Presentation Pack, left, and First Day Cover, below, will be issued on October 26
