Saluting 50 years of electrifying rock and roll

# AC/DC

Royal Mail First Day Cover

Mr C Davies  
14 Imogen Street  
ALTRINCHAM  
WA20 9IW

Royal Mail, Edinburgh 18 February 2025

## Rock royalty reigns supreme 50 years later

When Scottish-born brothers Angus and Malcolm Young stumbled across the AC/DC symbol on the back of their sister's sewing machine in 1973, they hardly imagined it would become synonymous with record-breaking rock and roll.

Five decades since the release of their explosive debut album *High Voltage*, AC/DC's raw, raucous sound and high-octane gigs continue to leave fans and critics thunderstruck. The band has remained a force of nature through thick and thin, dominating charts and shattering records to secure their status as one of the most iconic and influential groups in rock history.

We're saluting the pure power of this legendary band's electrifying live performances and paying homage to their classic albums with 12 new stamps to rock the world of AC/DC fans and collectors alike.

Explore striking souvenirs and limited edition keepsakes including platinum stamps, exclusive medals, framed prints and fact-filled publications charting the band's meteoric rise to fame.

Join us as we sing the praises of a band whose journey riffs their own theme tune: It's a long way to the top if you want to rock 'n' roll.

### 1 Mint Stamp Set | AS12700 £14.60

- Eight stamps celebrate 50 years since the release of *High Voltage*, the explosive debut album that launched AC/DC onto the world stage.
